

Tymic Token

The in-game currency that values your time.

Earned passively while online at **Play.Tymic.live** — powered by Solana.

Solana Token Address:

BWrA8VRRjoihbNeiHEhr8Xf3AWKWnBsLAut5WPpeC8xx

Purpose

Tymic rewards digital presence. It empowers players by converting their time into measurable value without grinding or tasks. It's built for fairness, longevity, and true economic participation.

Custom Solana Integration

We built custom plugins for Minecraft that link directly to the Solana blockchain.

- ✦ Real-time earnings based on online time
- ✦ Vault-compatible for seamless in-game usage
- ✦ Secure, fast, and decentralized transactions

In-Game Economy

Tymic is the foundation of our server economy. Everything revolves around it.

- ✦ Tip players
- ✦ Trade goods
- ✦ Unlock perks
- ✦ Access exclusive cosmetics and content

It's not just another points system — it's a real token, with real utility, backed by real tech.
